

## Make the MOST of Your Middle School Experience!

Get a jump start on what's ahead by participating in an experience designed to help all incoming middle schoolers:

- Build relationships with teachers and students
- **Have fun** and grow their confidence
- Learn about **expectations** and how to get **support**

## Bridge to Middle School

**When:** Three different assigned sessions between August 7 to August 22, 2017

**Where:** DC Everest Middle School 9302 Schofield Ave. Weston, WI 54476

**More Information:** B2MS will be offered in three sessions. In order to create small learning communities and balance enrollment, students will be assigned to one of these three sessions. All three sessions will be offered in **August**. Details of which session your student(s) will attend and transportation registration will be communicated via e-mail.

## Skills Covered During Bridge

In addition to the big picture goals, B2MS will also help students with the specific skills incoming students most frequently worry and wonder about. Those include: ***opening your locker, finding your way around, practicing passing time/bells, how to understand your schedule, going through the real lunch line and learning about clubs/extracurricular options.***

Register for B2MS by logging into to the Summer School Registration Program and selecting the Bridge to Middle School course. Your child can register for just the Bridge to Middle School course or can register for Bridge to Middle School and other summer school courses as well.
