

D.C. Everest Summer School Registration Form - Look Out Kindergarten!

The D.C. Everest Area School District is very excited to offer again this summer, an opportunity for young students. We call it "Look Out Kindergarten!" as it is designed to give incoming kindergarten students the opportunity to experience the kindergarten classroom environment and routines with kindergarten teachers prior to the start of the normal school year. This is intended to make the transition for these young learners into the traditional kindergarten classroom be as smooth and successful as possible, whether your child has been in 4K kindergarten or not.
